This End-User License Agreement ("EULA") is a legal agreement between you and birdsthings.com.

This EULA agreement governs your acquisition and use of our software ("Software") directly from birdsthings.com or indirectly through a birdsthings.com authorized reseller or distributor (a "Reseller").

Please read this EULA agreement carefully before completing the installation process and using the software. It provides a license to use the Rolling Sampler software and contains warranty information and liability disclaimers.

By clicking "accept" or installing and/or using the Rolling Sampler software, you are confirming your acceptance of the Software and agreeing to become bound by the terms of this EULA agreement.

If you are entering into this EULA agreement on behalf of a company or other legal entity, you represent that you have the authority to bind such entity and its affiliates to these terms and conditions. If you do not have such authority or if you do not agree with the terms and conditions of this EULA agreement, do not install or use the Software, and you must not accept this EULA agreement.

This EULA agreement shall apply only to the Software supplied by birdsthings.com herewith regardless of whether other software is referred to or described herein. The terms also apply to any birdsthings.com updates, supplements, Internet-based services, and support services for the Software, unless other terms accompany those items on delivery. If so, those terms apply.

### **License Grant**

birdsthings.com hereby grants you a personal, non-transferable, non-exclusive licence to use the Rolling Sampler software on your devices in accordance with the terms of this EULA agreement.

To install Rolling Sampler on multiple shared devices, you must purchase separate licenses for each shared device. Users are allowed to buy multiple licenses for multiple shared devices as needed.

By purchasing a license, you are granted a non-transferable, non-exclusive license to use the Software in accordance with one of the above (but not both) terms. Unauthorized distribution, sharing, or copying of the Rolling Sampler software is strictly prohibited.

You are not permitted to:

- Edit, alter, modify, adapt, translate or otherwise change the whole or any part of the Software nor permit the whole or any part of the Software to be combined with or become incorporated in any other software, nor decompile, disassemble or reverse engineer the Software or attempt to do any such things.
- Reproduce, copy, distribute or resell the Software for any commercial purpose.
- Use the Software in any way which breaches any applicable local, national or international law.
- Use the Software for any purpose that birdsthings.com considers is a breach of this EULA agreement.

### **Intellectual Property and Ownership**

birdsthings.com shall at all times retain ownership of the Software as originally downloaded by you and all subsequent downloads of the Software by you. The Software (and the copyright, and other intellectual

property rights of whatever nature in the Software, including any modifications made thereto) are and shall remain the property of birdsthings.com.  
birdsthings.com reserves the right to grant licences to use the Software to third parties.

Users retain any intellectual property rights they have in the content created using the Rolling Sampler software, but they do not obtain any ownership rights or interests in the Rolling Sampler software itself, which remains the exclusive property of its respective owners and licensors.

Users are responsible for ensuring that they have the necessary rights and permissions to use any copyrighted material in the content created using the Rolling Sampler software. Retaining intellectual property rights in created content, as stated in this EULA, does not grant users the right to use copyrighted material without proper authorization. The developers, owners, and licensors of the Rolling Sampler software shall not be held responsible or liable for any claims, damages, or expenses arising from the unauthorized use of copyrighted material in conjunction with the software.

Users agree to indemnify and hold harmless the Rolling Sampler software developers, owners, and licensors from any third-party claims, damages, or expenses arising from or related to the content created using the Rolling Sampler software.
